News Reporting and Writing

As media evolve and new formats emerge, journalism students face new challenges and need new advice. The Missouri Group confronts these issues in the new edition of News Reporting and Writing, teaching students how to work in the new world of digital journalism by using the enduring skills and current savvy that all reporters need. With new annotated models tracking a story across multiple electronic formats, expanded coverage of writing for digital media, and integrated video clips that go beyond the printed book, News Reporting and Writing will leave students better-prepared than ever.

What others say about this ebook:

Review 1:

I bought this book for a Journalism Class! It is a great book! I am keeping it!

Review 2:

Condition as described

Review 3:

It was an awesome buy. It had a few dings here and there but over all I could still read it so it was ok.

Review 4:

This book was required by the teacher. It is very informative and really helps you understand the right and wrongs of reporting. I would recommend this book to anyone who is starting out.
