Review 3:

Great book!

Review 4:

It wasn't what I thought. To be honest, I really wonder if they are truly Amish recipes.

Review 5:

As I have worked with a Mennonite and near and among some Old Order Amish I was enthralled with the dialogue about the Florida groups and their recipes. I found the excerpts from the newspaper as well as the recipes fascinating. The recipes were adapted to the produce of Florida which is quite different from the Midwest agriculture of live stock and gardens. I thoroughly enjoyed this book and expect to keep it as a recipe source.
