Inspiration Perpetual Flip Calendar: Your Ultimate Calling

There's a voice in the universe calling each of us to remember our purpose—our reason for being here now, in this world of impermanence. The voice whispers, shouts, and sings to us that this experience of being in form, in space and time, knowing life and death, has meaning. The voice is that of inspiration, which is within each and every one of us. Based on the New York Times Bestselling book, this calendar is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne Dyer offers a blueprint through the world of spirit to inspiration, your ultimate calling.
