They Say, I Say: The Moves That Matter in Academic Writing

The book that demystifies academic writing, teaching students to frame their arguments in the larger context of what else has been said about their topic—and providing templates to help them make the key rhetorical moves. The best-selling new composition book published in this century, in use at more than 1,000 schools, *They Say / I Say* has essentially defined academic writing, identifying its key rhetorical moves, the most important of which is to summarize what others have said (“they say”) to set up one’s own argument (“I say”). The book also provides templates to help students make these key moves in their own writing. The Second Edi

Black Ice: The Lost History of the Colored Hockey League of the Maritimes, 1895-1925.

The Colored Hockey League of the Maritimes was formed in 1895 in Halifax, Nova Scotia, Canada. Comprised of the sons and the grandsons of runaway American slaves, the league helped pioneer the sport of ice hockey, changing this winter game from the primitive "gentleman's past-time" of the

Short Stories of O. Henry

William Sydney Porter (O. Henry) was born in Greensboro, North Carolina. His father, Algernon Sidney Porter, was a physician. When William was three, his mother died, and he was raised by his paternal grandmother and aunt. William was an avid reader, but at the age of fifteen he left school, and th

What others say about this ebook:

Review 1:

Needed it for school, came quickly and undamaged.

Review 2:

Yes

Review 3:

Needed this for class, good price, no complaints

Review 4:

No nonsense, easy to read

Review 5:

I was required to purchase this book for my Critical Thinking English college course. The book alone was very complicated to understand as I guess is expected with a critical thinking class. Once I learned the material and read sections at a time of made more sense. I guess if you have to buy this book go with buying here since it was way cheaper than other sites.

They Say/I Say: The Moves That Matter in Academic Writing

“I like the way the Graffs pick apart what's really happening in an argument. Many students get to college not knowing how to make the moves necessary to put forth an argument, and this book helps them work through that process.” - Christine Cozzens, Agnes Scott College “Especially for beginning writers, “They Say / I ...
