Walking the Walk: Putting the Teachings into Practice When It Matters Most

It's one thing to hear a life-changing truth or to have a conceptual grasp on spiritual wisdom. But it's another thing to "walk the walk" - or to put into practice the good advice we've been given. What does it mean to walk the walk in our everyday lives? According to Pema Chödrön, it means being down-to-earth, genuine, and perhaps most importantly, it means engaging in the teachings in order to actively confront anything and everything we've heretofore rejected in our attempts to find happiness. Created to help us respond with compassion and authenticity when our spiritual ideals are put to the test, *Walking the Walk* brings you four inspirational sessions with Pema Chödrön, as

He Said, "You Have Prostate Cancer": This is the book the author couldn't find when he needed it-His journal of what came next.

This author has written a straight forward, no holds barred, accounting of his struggle, and his reaction to a diagnosis of prostate cancer. He was astonished to learn that he, a medical neophyte, would have the task of making the treatment decision himself. This journal takes the reader through mo

Out of Sight, Out of Mind

A man walks the streets of a city he has not visited in a long time, when all of the sudden, one of the landmarks addresses him. The strange conversation turns into an exchange of the haunting, wondrous, or beautiful stories they have come across in their out of the ordinary existences.
