Simplicity: Start Living with Less, Get More Done, and Live a Fulfilled Life Today

Discover The Power of Simplicity today Life in today's world is often chaotic, fast-paced and frenetic. Everyone is obsessed with where they're going, slaving away on the path to more, more, more. We invite complexity into our lives, introducing unnecessary complications into every aspect of our existence. Life doesn't have to be like that. Simple living frees you from the stresses and pressures of materialism and complexity, enabling you to fully appreciate every moment. You can have the time to focus on the things and the people you care about most, instead of finding yourself overworked, over-committed, and over-stressed. What others say about this ebook:

Review 1:
great read

Review 2:
I found the book a bit dull with no new information I hadn't already been exposed to. Might be good for those who have been living an overly complex life.

Review 3:
This book was a good reminder that to have a simple life I have to say no so I have time to pursue what's really important.

Review 4:
This is perhaps the most useful self help book I have read in a while. I also like Chelsea's writing style. This is Worth the read!

Review 5:
Short chapters with good, simple advice. An enjoyable read. I'd recommend it for anyone interested in creating a simpler lifestyle.
