Understanding Jihad

First published in 2005, *Understanding Jihad* unravels the tangled historical, intellectual, and political meanings of jihad within the context of Islamic life. In this revised and expanded second edition, author David Cook has included new material in light of pivotal developments such as the extraordinary events of the Arab Spring, the death of Usama b. Ladin, and the rise of new Islamic factions such as ISIS. Jihad is one of the most loaded and misunderstood terms in the news today. Contrary to popular understanding, the term does not mean "holy war." Nor does it simply refer to an inner spiritual struggle. This judiciously balanced, accessibly written, and highly relevant

understanding jihad - The Divine Conspiracy

Jihad. The word has entered into common usage in the United States in the wake of September 11, 2001. Politicians use it to conjure up terrifying images of irrational foreigners coming to destroy American freedoms; religious figures use it to define Islam. Jihad has even entered our everyday vocabulary, associated (by ...

Understanding Jihad | Hoover Institution

Understanding Jihad. by Mark Gould. Tuesday, February 1, 2005. The widespread presence in the Islamic world of organizations that legitimate the use of political violence in terms of values they

draw from Islam leads to a simple, often asked question: Is there an intrinsic connection between Islam and political violence?
