Jewelry by Chanel

Celebrating eighty years of Chanel jewelry from the iconic 1932 designs to the new 2012 anniversary collection Coco Chanel's passion for fabulous jewels, for exceptional stones, and for improbable marvels produced pieces that were unparalleled in their insistence on luxury and refinement. Drawing inspiration from tradition, Chanel was never the slave of everyday formulas or market values. Yet she reinvented tradition in the most arresting and modern jewelry pieces, based on her love of color and her assured command of austere classical beauty. Chanel was a creature of contrasts: there was the Chanel of sumptuous baroque, of rococo mirrors and dazzling, playful, unrestrained jewelry;

Essentials of Genomics and Bioinformatics

Provides an overview of the rapidly evolving field of genomics with coverage of nucleic acid technologies, proteomics and bioinformatics. It includes chapters on applications in human health, agriculture and comparative genomics and also contains two chapters on the legal and ethical issues of geno

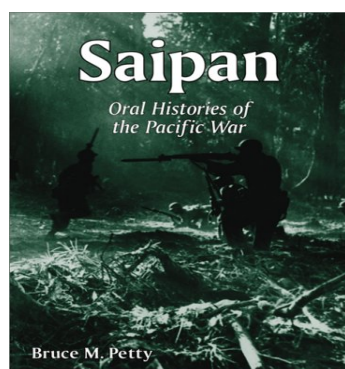

Central Park NYC: An Architectural View

A lavish and unprecedented exploration of Central Park's extraordinary and beautifully designed spaces, buildings, sculpture, and follies, in historic photographs and exquisitely detailed watercolors by the authors. Frederick Law Olmsted's Central Park is famed for its naturalistic design and the

A description concerning such mechanism as will afford a nice, or true mensuration of time: together with some account of the attempts for the ... of the discovery of the scale of musick

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitizat

Saipan: Oral Histories of the Pacific War

Remembered as one of the bloodiest battles fought in the Pacific during World War II, the turning point on the road to the defeat of Japan and the end of the war, the island of Saipan was a blaze of fire and steel for over three weeks in the summer of 1944. Visible reminders of the devastation stil

What others say about this ebook:

Review 1:

The majority of photos in this book are not of Coco Chanel's jewelry designs, but later variations by Chanel Inc. Incredibly, the pieces in her landmark jewelry exhibit in 1932 were disassembled at the end of the show. 80 years later, Chanel Inc. reissued some of them, along with pieces that they touted as "inspired" by the Chanel motifs. These pieces are the primary focus of this book. The book does include photos of the original jewelry from the show, and some photos of authentic jewelry by Coco Chanel.

I think the later jewelry designs are more in keeping with Coco Chanel's ideas for jewelry, as compared to what Lagerfeld has done to the clothing line. This book can still be a pleasure to thumb through for the photos. The essay by Patrick Mauriès also offers a good history of Coco Chanel's ideas and evolution as a jewelry designer.

Read the Comment to the popular review here by D. Baird. The Comment is correct. D.Baird's review is about an earlier edition of this book, Bulfinch Press/Little Brown, published 1993/2000, 144 pages. The earlier edition contains only Coco Chanel's jewelry designs, with high-quality photos. Available from used booksellers.

Review 2:

love it ^^

Review 3:

Wow. What can I say? I'm so inspired by all the designs in this book. Amazing and great for the jewelers library.

Review 4:

Such a beautiful book with beautiful pictures at such a small price!! its placed in my living room for all my guests to see and its lovely!!!

Review 5:

I wish this was more about Coco Chanel but it's still a beautiful book with lots of gorgeous pictures. Thank you!
