Cracking the SSAT & ISEE, 2010 Edition (Private Test Preparation)

The experts at The Princeton Review offer the most complete and effective preparation for two important secondary school admissions exams, the SSAT (Secondary School Admission Test) and ISEE (Independent School Entrance Examination). This fully up-to-date 2010 edition of Cracking the SSAT & ISEE includes 5 full-length practice tests: 2 for the SSAT and 3 for the ISEE. In Cracking the SSAT & ISEE, 2010 we'll teach you how to think like the test writers and

- Correctly answer difficult analogy and synonym questions without knowing what all the words mean
- Ace the Math section by eliminating answers that are planted to fool you
- Use our step-

Introduction to Healthcare for Spanish-speaking Interpreters and Translators

This book is based on the very popular international publication (Crezee, 2013) and has been supplemented with Spanish glossaries. Just like the 2013 textbook, this practical resource will allow interpreters and translators to quickly read up on healthcare settings, familiarizing themselves with an

El cerrador: Mi vida (Spanish Edition)

El lanzador de relevo más exitoso de todos los tiempos comparte su extraordinaria historia de supervivencia, amor y béisbol. Mariano Rivera, el hombre que intimidó a miles de bateadores con tan solo abrir la puerta del bullpen, comenzó su increíble vida

A Girl Of The Limberlost

The novel is set in Indiana. Most of the action takes place either in or around the Limberlost Swamp, or in the nearby town of Onabasha. The novel's heroine Elnora Comstock is a poor girl who lives with her widowed mother Katharine Comstock on the edge of the Limberlost Swamp. At the beginning of

Engineering Economy: Applying Theory to Practice, 3rd Edition

Now in its third edition, Ted G. Eschenbach's Engineering Economy: Applying Theory to Practice continues to solidify its reputation as one of the most innovative, authoritative, and reliable texts in Engineering Economics. It provides the tools and concepts--including cost estimating, sensitivity a

What others say about this ebook:

Review 1:

GREAT resource for the SSAT & ISEE test.

Review 2:

Why is this book still being published? The SSAT upper level math test contains several mistakes, and although this is definitely a problem, it's a minor issue, since there are only a small amount. I would, however, like to inquire exactly what dictionary was used in the creation of the verbal section (also for the upper level SSAT).

According to the answer key, trainable is a much better synonym for the word formidable than powerful. Also, erratic, rather than being synonymous to inconsistent, means amiable.

If you haven't purchased this, DON'T! You will only find mistake after mistake throughout the book. If you've already bought it, I would suggest going through and self-grading, since the answer key is obviously unreliable.

Review 3:

Great product!

Review 4:

Book is out of date and does not cover all the topics one needs to know. Reading is too easy and gives one a false sense of confidence. Math does not hit all the subject areas on the exam - not even close.

Review 5:

Basicly useless as a test practice book. All the reviewing material you can get from any other book or online information. The practice test cover all level SSAT and ISEE which no one need as no one will take all the tests. Anyone who will take a SSAT or ISEE should only buy the book for their test and their level. Not this one.
